

Shipwrecked survivors

STEP 1

From The Complete Bible Story (By Art Park. Copyright Light: Used by permission)

You are shipwrecked on a desert island together with your group. Decide together- VOTE, what you need to take with you! Remember, you can take only **7 things** from the list.

1. MATCHES-

4. BOTTLES

7. FLOUR

2. LADDER-

5. KNIFE

8. KEROSENE

3. ROPE

6. AXE

9. GUN

10. POTATOES

14. CLEAN LAUNDRY

11. CORN

15. ANTIBIOTICS

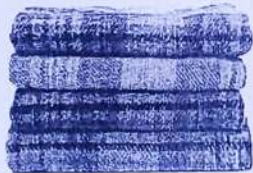

12. SEEDS

16. SEWING KIT

13. BLANKETS

17. VITAMINS

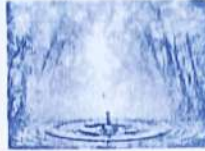

STEP 2

Since you've chosen what to take with you, decide, again as a group, what will be the first thing you ^{DO} on the island.

1. MAKE SHELTER

2. SEARCH FOR CLEAN WATER

3. SEARCH FOR FOOD

4. INVESTIGATE TO SEE IF THERE ARE ANY DANGERS

5. LIGHT A FIRE (TO DRY)

6. ASSIGN (GIVE) EACH PERSON 1 TASK

Keep in mind that it is getting dark and you must decide quickly- there might be some dangerous beasts crawling and lurking about.

STEP 3

Sooner or later you'll be needing a shelter. Decide where will you build your shelter (you must agree on it together).

1. Near the water (sea or river)

2. In the forrest

3. On the plain

EXPLAIN WHY!

STEP 4

You have finally built your shelter, but since there is no food and your supplies are getting smaller, fights and arguments appear more often. So you need somebody to be the **LEADER** of your group.

This person needs to have certain qualities. He or she must be:

- AUTHORITATIVE
- CALM IN ALL SITUATIONS
- OBJECTIVE

Choose somebody to be your **LEADER**! (You must all agree on it)

Explain why you've chosen this person. (What are his/her qualities?)

The Interview

You successfully survived your shipwreck adventure and now you are at home. You are invited to give an interview for a popular TV show.

These are the questions you will be asked by the interviewer.

The interviewer:

Good evening Ladies and Gentlemen and welcome to my show. I'm honored to welcome 6 amazing people who managed to survive a terrible shipwreck.

(TO THE GUESTS)

Good evening and welcome!

(THE GUESTS ANSWER)

QUESTIONS:

1. So you were alone on a the desert island , for how long?
(A month or more)
2. Tell me, how did you feel when you realized that you were alone there and there was nobody coming to save you? (ASK EACH PERSON INDIVIDUALLY : Mia, Lea, Ivan
Were you scared, terrified...? What was your first thought?)
3. What did the island look like? Were there any fruits, animals? Was it cold , hot? Did you find any drinking water?

4. What was the first thing you did when you arrived there?
5. How did you build your shelter, which materials did you use and where did you build it? Why there?
6. Were there any fights among you? Who argued the most? Did you perhaps choose a leader? Who was this person and why did you choose him /her?
7. Did you each have your tasks? What were they?
8. What were the qualities that you discovered there in each person and you haven't seen these qualities in the civilised world.
9. You were all obviously very brave, otherwise you wouldn't have survived there in the wild, but who was the bravest person? Who felt at home there in the wild?
